FREQUENTLY ASKED QUESTIONS

How do I reserve my date/time?

You may reserve your date and time by calling or going to the taproom during business hours and paying your \$100 deposit with credit/debit card or cash. Let the bar staff know it is for a rental and the date of the event so they can note it on the receipt and inform the events coordinator the deposit has been paid.

Do I pay a taproom rental fee in addition to the food and beverage bill?

You do not pay a taproom rental fee in addition to your food/drink bill if the minimum \$ amount is met in food and drink during the event. If the minimum is met in food/drink, your rental fee is waived.

If you do not meet the minimum in food and beverage, the taproom rental fee is the difference between your food and beverage bill and the minimum rental fee. For example, if your minimum is \$800 and you only charge \$600 in food and beverage, your taproom rental fee is \$200 (non taxed).

How are partial rentals set up?

For partial taproom rentals, the rentee will get a portion of the taproom and patio blocked off for their party. The other portion of the taproom and patio will be open to the public. Due to our taproom set up, your space will not be private and we do not have a private room.

Do you have AV equipment we can use?

We do have a TV and HDMI cable that can be used to display presentations and videos. We also have a corded microphone. AV equipment use if complimentary.

Are we able to bring in outside catering or food?

Our taproom/restaurant/brewery is a dedicated gluten free facility. Due to the nature of our business, we do not allow outside food or catering in the taproom. Guests may have a non-gluten free cake on the patio and must bring their own disposable plates & cutlery. Guests may bring an outside cake into the taproom *only if they can produce a receipt showing the cake is certified gluten free.*

Are children allowed?

Our taproom is family friendly.
